

MUKILTEO HISTORICAL SOCIETY

Keepers of the Mukilteo Light Station

Benefits of Membership

It's a great way to give something back to your community while making friends from around the world.

Over the years, the Mukilteo Lighthouse has guided everything from freighters and bootleggers to aircraft carriers and pleasure boats. In continuous operation since 1906, it is one of the few remaining wooden lighthouses in the Pacific Northwest.

The Mukilteo Historical Society works closely with the United States Coast Guard and the City of Mukilteo to preserve this important piece of our heritage. One of the great benefits of membership in the Society is the opportunity to volunteer to work at the lighthouse. Become a member and start volunteering today!

- Preserve our past for future generations to enjoy.
- Share our remarkable history with people from around the world and make new friends within the community.
- Volunteer in one or more of our many activities ranging from one-time activities, such as filling in for another volunteer, to in-depth projects, such as taking a regular shift at the lighthouse or researching an aspect of our history.
